

Dear Friend,

This is a very brief email this month to let you know what is coming up and some information about the AGM and changes that will occur.

## Our Events

September

*Edinburgh*

### Speaker meeting with discussion

Full details have yet to be confirmed, but we will be holding a meeting for our members and supporters.

November

*Glasgow*

### AGM with speaker

Our annual AGM is planned to take place in Glasgow. The meeting will be followed by a speaker and discussion. Full details will follow in due course.

#### **Note:**

It is my intention to stand down as the administrator at the AGM. I will be looking for volunteers to take over my tasks, and possibly sit on the committee. Volunteers are never easy to find, so I am giving plenty of notice.

This is a list of jobs I currently undertake. If you feel you could help with one or more of these, I'll gladly send more information. Just reply to this email. (I will not take an enquiry as a commitment on your part!)

Website

Social media - Facebook and/or Twitter.

Membership - by far the most important and time-consuming.

Creation and sending of e-newsletter.

There are other tasks I undertake in the general running of the organisation as required, but I hope that these can be shared out amongst committee members in future.

### Brexit: What next for competition policy?

The Scottish Competition Forum is holding this event hosted by Maclay Murray & Spens LLP which will consider the alternatives to EU membership and what each could mean for competition law and policy in the UK. We will also consider the process of leaving the EU and the effect of Brexit on public and private enforcement of competition law in the UK.

Confirmed speakers include Andreas Stephan, Professor of Competition Law at the University of East Anglia, and Dr Tobias Lock, lecturer in EU Law and co-director of the Europa Institute at the University of Edinburgh.

Other speakers will be confirmed soon.
